

2019 ASRTU MEETING IN VLADIVOSTOK
First Announcement

May 22-26, 2019

Vladivostok, Russia

Dear colleagues, professors and students of the ASRTU member and observer universities!

ASRTU is the leading association for the establishment and development of cooperation between universities of Russia and China. Activities carried out in cooperation with the ASRTU member and observer universities allow to expand the opportunities for implementing joint research, engineering and innovative projects of universities in both countries.

In order to promote further cooperation, in May of 2019 ASRTU will hold its meeting in the campus of Far Eastern Federal University on Russky Island in Vladivostok, Russia.

ROBOTICS is the main topic of the 2019 ASRTU Meeting in Vladivostok.
